Dear Walter and Helen
Ruth and Lillian,

Enclosed money and I
feel badly that I did not
know about Uncle
Silas until the day
after the funeral. I
know how sad you
must be. Your
beautiful flowers when
your parents died I still
remember the bouquet
of roses they sent for
Mother's funeral. Uncle
Silas was very kind
and liked to tease a little
now & then. I saw
him at Aunt Lenore's
funeral. He put his
arms around me
and cried. I'm glad
you were able to buy
them by Aunt Elma.
My deepest sympathy
to you Ruth and
Lillian. American Greetings

I have been living
in N. J. the past 20
years but would
hope come home had

I know this
is a time
for the only

they have moved
Your family
must be really
grown up by
now. Love
Mary
